

**Boat Launch Regulations:**

The boat launch ramp is generally very busy and well used. Please launch or load your boat quickly and safely. Others are waiting and we ask for your cooperation.

Please do not moor your boat to launch ramp dock, wash your boat or do unnecessary things at the launch area.

Please help keep the area clean by disposing of all waste in garbage receptacles.

These public boat launch facilities are for loading and unloading only; please do not leave a boat unattended.

Your cooperation is appreciated.

Users of these facilities do so at their own risk. The City of Fredericton assumes no liability for loss, damage, or injury arising from the use of this facility.
