

## TRANSIT'S HELPFUL HINTS

- **READING OF SCHEDULES** - when reading the schedules, please note the bus "travels" from left to right. Your departure time should be noted from the column preceding the location at which you intend to board the bus. The schedule is color co-ordinated with the route map for ease of use. Also remember "S" indicates travelling southbound while "N" means travelling northbound
- **TRANSFERS** - when your trip requires a transfer from one route to another, be sure to ask your driver for a transfer when you board. The transfer is only valid for the person to whom it is issued and can only be used for the first available connecting bus
- **LOST ITEMS** - we'll do our best to find articles left on the bus; just give us a call
- **SUNDAYS AND HOLIDAYS** - no service
- **DIAL-A-BUS** - a specialized transportation service available for registered clients
- **CONCERNS/OPINIONS** - if you have any comments, questions or compliments, we'd like to hear from you

Here are a few tips on how to read Fredericton Transit's Bus Schedule. When you learn how to use the schedule you will see how easy and convenient our service is.

Route designation and main destination area.

Kings Place is our central transfer point, all buses meet at this location.

"N" indicates traveling to the northside, "S" to the southside.

Timing points Along route

Departure times correspond with timing points

along route.

Schedule reads from left to right.
