

# College Hill Roundabout

- 1** Improved connection between Route 7 and College Hill (including Universities and Hospital)
- 1A** Reduces traffic and improves safety along Regent and at the Regent / Prospect and Regent / Priestman intersections significantly;
- 1B** Reduces westbound queuing on Vanier approaching Regent; and
- 1C** Reduces travel times and related Greenhouse Gases for motorists.
- 2** Trail Connection to Skyline Acres through Reading Park;
- 3** Trail Connection along College Hill to Universities;
- 4** Trail Connection to Hospital;
- 5** Trail Connection to Uptown;
- 6** Enables divestiture of redundant highway loop ramp; and
- 7** Enables potential future expansion of hospital property into existing Highway Right-of-Way.
