

# Permanent Labourer

Roadway Operations  
(Salary: \$22.74 plus BSA)

## Description:

Under the direction of the Supervisor, Roadway Operations - Engineering and Operations Department the incumbent will perform work, which is physically strenuous in nature and involves the use of hand tools and/or manually operated equipment. Assignments will require the operation of Municipal vehicles. The incumbent may work under supervision and receive daily instruction.

## Education and Experience:

- Secondary education (Grade 12 G.E.D. is acceptable) combined with one-year relevant experience.
- Required Licenses: Valid NB Class 3 driver's license with E endorsement (air brakes)

## Position Specifications

- Performs functions consistent with construction and maintenance of roads, streets, sidewalks and rows.
- Assigned to snow and ice control operations during winter months.
- Performs related work as required.
- Ability to work after hours and willing to work shifts, including a regular night shift if required.

## Knowledge and Desired Skills:

- Ability to follow instructions accurately as issued by a Foreman or Supervisor.
- Knowledge of the occupational hazards involved and the safety precautions necessary in work assignments.
- Well developed interpersonal and communication skills are required.

Interested individuals may apply in writing to [hr@fredericton.ca](mailto:hr@fredericton.ca) by 4:30 pm on 2019 May 8  
Only those candidates chosen for an interview will be contacted.
