

# Zig Zag 2018

**FREE -Playground fun for  
6-12 year olds**

Zig Zag is the City of Fredericton’s unique supervised playground program. Zig Zag is offered free of charge to interested children in the neighbourhoods visited. This means that **the children who attend are free to come and go as they wish**. Parents can go to the neighbourhood park with their child(ren) on their first day and fill out the necessary forms. Activities are based on the interests of the children, the focus is on physical activity, but some time is also spent on crafts, and quiet games. Check the lists below for the locations in your neighbourhood:
