

City of Fredericton Parks & Trees Forestry- Arboriculture and Forest Health

The City of Fredericton is a growing, busy and lively city with a thriving urban forest. If you feel driven to enhance your community by supporting the health, beauty, and wellbeing of our city's urban canopy, we would love for you to be a part of our team!

Parks & Trees Arboriculture & Forest Health

What You'll Do: Do you like the idea of spending your summer working outdoors? Do you have an interest in maintaining our trees to help beautify our City? Then we are looking for you!

Top Responsibilities:

- Strenuous physical labour.
- Tree maintenance, tree planting, and removals.
- Greenhouse work in our new tree nursery.
- As part of the Forest Health Team – working on the City's Emerald Ash Borer management program by:
 - Treating trees with systemic insecticides
 - Setting and checking traps for invasive species
 - Monitoring tree health
- Related work as required.

Your Qualifications – Required.

- Applicants must have a valid driver's license (class 5).
- Must be enrolled in a post-secondary Forestry, Environment, or Horticulture related program.

Your Qualifications – considered an asset.

- Pesticide Applicator's License
- A valid air brake license (E endorsement)
- WHMIS and first aid certification

All About the Fit:

We believe knowing the job and doing the job well requires a dedicated, committed individual.

- Responds cool and calm in the face of stresses and pressures
- Demonstrate problem solving and judgement
- Adaptable with quick and decisive responsiveness
- Ability to establish and maintain respectful, cooperative, and professional working relationships with your team and community at all times
- Ability to work independently and as a contributing member of a team

WORK STATUS:

Full Time Summer, May – To early September

HOURS OF WORK:

Standard hours Monday-Friday 7:30am-4:00pm; flexibility may be required from time to time

SALARY:

Starting at \$19.00 per hour.

WORK LOCATION:

Parks & Trees – Various locations throughout the city.

CLOSING DATE: Accepting applications until 4:30 p.m. January 31, 2026. If you're eager to make a positive impact on the health of our urban forest and contribute to the well-being of our community, please submit your resume, a cover letter, and a brief statement outlining your interest in the position to Keanan.Jewett@Fredericton.ca indicating "Parks & Trees Arboriculture & Forest Health". While we thank all of those who apply, only applicants selected for an interview will be contacted.
