

Brookside Drive

- 1 Curb-separated cycle track provides a first-of-a-kind cycling facility in the City.
- 2 New sidewalk along both sides of the street provides full connectivity to existing bus stops.
- 3 Hawkins Street realigned to improve sight distances and new left turn lane added.
- 4 Trail connections to Northside Trail.
- 5 Trail connection to North Riverfront Trail.
- 6 Connection to existing bike lanes on Douglas Avenue.
- 7 Connection to future multi-use trail crossing Ring Road.
