

# WHERE YOUR TAX DOLLARS GO:

## WATER & SEWER UTILITY

As per provincial legislation, Fredericton's Water & Sewer Utility is self-funded, deriving all of its revenue from rates collected and government infrastructure grants. The Utility is currently focused on replacing aging pipes and infrastructure.

The typical Fredericton household pays just \$2.53 daily for water and sewer services.

2024 rates lowest in the region.

<b>Water &amp; Sewer Budget</b>	\$23.4M	<b>Quarterly Service Charge</b>	\$135.00	<b>Quarterly Flat Rate Commodity Charge</b>	\$149.52
<b>Combined Rate</b>	\$2.00/m <sup>3</sup>	<b>Water &amp; Sewer Capital Budget</b>	\$10.9M		

# Fredericton 2024 BUDGET

**GENERAL FUND OPERATING BUDGET**  
**\$168.2M**

10.3% increase over 2023. Inflationary needs addressed. All existing services maintained; some expanded.
