23-03A	BE IT RESOLVED That Fredericton City Council declare a Climate Emergency and that Council recognizes the critical impacts of a changing climate on our natural environment, our community and our economy. AND that Council direct staff: 1. To minimize the accumulation of greenhouse gases in the early years by making every effort to align staff resources to accelerate the implementation of the City's three climate action plans, which are aligned with Federal and Provincial greenhouse gas reduction targets (50% reduction by 2030, 100% by 2050 and net negative carbon emissions thereafter);	CS	In Progress
23-03B	BE IT RESOLVED That Fredericton City Council declare a Climate Emergency and that Council recognizes the critical impacts of a changing climate on our natural environment, our community and our economy. AND that Council direct staff: 2. To ensure that available city funding is adequate to attract and secure maximum funding from all other levels of government and third parties, in order to: gain capacity to ensure that measurable climate action within the City as a corporation continues, support efforts to show leadership and inspire action in the community, and ensure investment in climate plan items that provide a good return in cost savings; and	CS	In Progress
23-03C	BE IT RESOLVED That Fredericton City Council declare a Climate Emergency and that Council recognizes the critical impacts of a changing climate on our natural environment, our community and our economy. AND that Council direct staff: 3. To develop and deliver meaningful engagement strategies that empower the entire community to unite and take ownership of their part of the climate solution through behavioural changes and adoption of lower carbon lifestyles, consistent with receipt of the recent petition pressing the city for urgent implementation of the climate plans, signed by 500+ individuals and 12 civil society and faith groups, and businesses which represent many more people	CS	In Progress
23-31	BE IT RESOLVED that the Council of the City of Fredericton hereby declares surplus and authorizes and approves the disposition of a 797 m <sup>2</sup> portion of property located at 202 Sunset Drive (SNB PID 01403229) to 728826 N.B. Ltd. for the sum of Twenty-Five Thousand Dollars (\$25,000.00) plus any applicable taxes and adjustments; and that the Mayor and City Clerk be authorized to execute the necessary legal documents to facilitate this transaction. 23-59	BE IT RESOLVED that the Council of the City of Fredericton hereby directs Community Planning staff to prepare the amendments to By-law No. Z-5, A Zoning By-law for the City of Fredericton, and to By-law No. Z-6, A By-law to Adopt a Municipal Plan for the City of Fredericton, to implement workforce housing in commercial centres and corridors, and that such amendments be considered through the regular by-law amendment and adoption process.	P&D	In Progress
23-91	BE IT RESOLVED that the Council of the City of Fredericton authorizes the City Treasurer to provide sponsorship funding in the amount of \$35,000 for the 56th National Congress of the Canadian Housing and Renewal Association.	P&D	In Progress
23-96	BE IT RESOLVED that the Council of the City of Fredericton hereby approves an increase to the number of members it appoints to the Preservation Review Board to ten (10).	P&D	In Progress
23-97	BE IT RESOLVED that subsequent to approval of a contribution agreement between the City of Fredericton and the Government of Canada for funding under the Housing Accelerator Fund, the Council of the City of Fredericton hereby agrees to initiate amendments to By-law No. Z-5, A Zoning By-law for the City of Fredericton, By-law No. Z-6, A By-law to Adopt a Municipal Plan for the City of Fredericton and By-law No. Z-9, College Hill Secondary Municipal Plan to satisfy the conditions of approval of funding under the Housing Accelerator Fund Resolution.	P&D	In Progress
23-45	BE IT RESOLVED that the Mobility Committee directs City Staff to develop and formalize a new Residential Traffic Calming policy. This Policy is to be based on the principles presented to the Mobility Committee on June 15, 2023 and incorporate committee feedback. The proposed policy is to be advanced to City Council for consideration of adoption as a new Corporate Policy.	E&O	In Progress
23-66	BE IT RESOLVED that staff be directed to develop a cost estimate that is required to maintain the interiors of the provincial roundabouts within Fredericton City limits that would include cutting, trimming and plantings on a yearly basis; and BE IT FURTHER RESOLVED that such cost estimate examine interior treatments that may be more attractive and cost-effective than grass such as plantings of evergreen shrubs and groundcovers; and BE IT FURTHER RESOLVED that staff be directed to meet with the Department of Transportation and Infrastructure to renegotiate the present allocation provided by the Department to the City to maintain designated and other highways and roads to see what cost of the estimate may be covered; and BE IT FURTHER RESOLVED that whatever that balance may be after the negotiation, be brought back to the city budget process for consideration.	E&O	In Progress
23-81	Whereas the proposed development at 464 Golf Club Road will result in the removal through demolition of a Georgian vernacular structure built by the Rainsford family if no intervention takes place; and Whereas the City seeks to avoid demolition and promote adaptive reuse of heritage structures wherever possible by nonprofit agencies, BE IT RESOLVED that the Council of the City of Fredericton direct the Chief Administrative Officer to initiate negotiations for a right of first refusal to acquire the structure located on PID 01500461 either to be located on a building lot subdivided from the subject property and acquired by the City of Fredericton or to be moved by the City of Fredericton from the subject property to another location. ## Resolution Detail

#	Resolution	Resolution Date	Lead Dept	Resolution Status	Comments
23-11	<p>WHEREAS it is well established that human activity is causing significant disruptions to the world’s climatic systems with increased green house gas emissions which is increasing the frequency of extreme weather events, raising the global average temperature, and posing other significant risks, such as drought, forest fires, rising sea levels, ecosystem damage and loss of life posing immediate threats to our natural environment, our health, our jobs and economy, and WHEREAS 645 Canadian cities, towns, and local service districts, including three Atlantic provincial capital cities, have formally declared a Climate Emergency, and WHEREAS a Climate Emergency declaration carries with it significant meaning, signalling to the public the City's acknowledgement of the seriousness and urgency of the climate crisis and a deep commitment to urgently eliminate greenhouse gas emissions by empowering residents and city staff to dramatically lower their carbon footprints by increasing funding and mobilizing resources towards addressing the crisis, and WHEREAS for the purposes of this declaration, the use of the word “Emergency” is to reinforce the urgent, critical seriousness of climate change impacts, and therefore does not imply or trigger “a state of emergency” which has its own legal definition, status, and implication, and WHEREAS the City of Fredericton has adopted and is in the early stages of implementing three climate action plans, forming a critical foundation for action to meet the urgency of climate change impacts,</p> <p>THEREFORE, BE IT RESOLVED That Fredericton City Council declare a Climate Emergency and that Council recognizes the critical impacts of a changing climate on our natural environment, our community and our economy.</p> <p>AND that Council direct staff:</p> <p>To minimize the accumulation of greenhouse gases in the early years by making every effort to align staff resources to accelerate the implementation of the City’s three climate action plans, which are aligned with Federal and Provincial greenhouse gas reduction targets (50% reduction by 2030, 100% by 2050 and net negative carbon emissions thereafter); and</p> <p>To ensure that available city funding is adequate to attract and secure maximum funding from all other levels of government and third parties, in order to: gain capacity to ensure that measurable climate action within the City as a corporation continues, support efforts to show leadership and inspire action in the community, and ensure investment in climate plan items that provide a good return in cost savings; and</p> <p>To develop and deliver meaningful engagement strategies that empower the entire community to unite and take ownership of their part of the climate solution through behavioural changes and adoption of lower carbon lifestyles, consistent with receipt of the recent petition pressing the city for urgent implementation of the climate plans, signed by 500+ individuals and 12 civil society and faith groups, and businesses which represent many more people.</p>	3/27/2023	CS	Completed	Proclamation passed. Aligns with ongoing work implementing the CC plans.
23-12	BE IT RESOLVED that the Council of the City of Fredericton approve the selection of EllisDon as the construction management firm, to be engaged by Fredericton Playhouse Inc., for the Performing Arts Centre project and agree to an initial funding amount not to exceed \$300,000 to be paid to the Fredericton Playhouse Inc. to cover the fees associated with EllisDon being engaged as part of the design development phase with further fees and costs to come forward as part of design development review and approval of a final project budget by Council.	3/27/2023	CS	Completed	CM Firm hired.
23-13	BE IT RESOLVED that the Council of the City of Fredericton hereby directs and authorizes the City Treasurer to submit an application to the Municipal Capital Borrowing Board for authorization to borrow money for a Quint Aerial Fire Truck (or to guarantee the repayment of money borrowed or to enter into a lease, lease-purchase or purchase arrangement) in an amount not to exceed \$2,000,000 for the Fire Services, Purpose: Protective Services, Term: 5 Years Amount: \$2,000,000.00. This application is made pursuant to Section 1.1 (or Subsection 4(1)) (or Section 1.1 and Subsection 4(1)) of the Municipal Capital Borrowing Act and a resolution of the Council of the City of Fredericton on March 27, 2023.	3/27/2023	CS	Completed	Documents sent to Municipal Capital Borrowing Board on March 31st for April Hearing
23-14	BE IT RESOLVED that the Council of the City of Fredericton accept the funding grant from Natural Resources Canada of \$225,000 to assist the City of Fredericton to address awareness of and confidence in City owned electric vehicle charging stations and in the use of electric micro-mobility devices (in combination with other modes of active transportation) on our active transportation network by renewing signage on our multi-use trails and creating digital content and that the Mayor and City Clerk be authorized to execute the necessary legal documents to facilitate this transaction.	4/11/2023	CS	Completed

23-03A	BE IT RESOLVED That Fredericton City Council declare a Climate Emergency and that Council recognizes the critical impacts of a changing climate on our natural environment, our community and our economy. AND that Council direct staff: 1. To minimize the accumulation of greenhouse gases in the early years by making every effort to align staff resources to accelerate the implementation of the City’s three climate action plans, which are aligned with Federal and Provincial greenhouse gas reduction targets (50% reduction by 2030, 100% by 2050 and net negative carbon emissions thereafter);	3/16/2023	CS	In Progress	Plan monitoring and action is continuous.
23-03B	BE IT RESOLVED That Fredericton City Council declare a Climate Emergency and that Council recognizes the critical impacts of a changing climate on our natural environment, our community and our economy. AND that Council direct staff: 2. To ensure that available city funding is adequate to attract and secure maximum funding from all other levels of government and third parties, in order to: gain capacity to ensure that measurable climate action within the City as a corporation continues, support efforts to show leadership and inspire action in the community, and ensure investment in climate plan items that provide a good return in cost savings; and	3/16/2023	CS	In Progress	Funding program analysis always ongoing.
23-03C	BE IT RESOLVED That Fredericton City Council declare a Climate Emergency and that Council recognizes the critical impacts of a changing climate on our natural environment, our community and our economy. AND that Council direct staff: 3. To develop and deliver meaningful engagement strategies that empower the entire community to unite and take ownership of their part of the climate solution through behavioural changes and adoption of lower carbon lifestyles, consistent with receipt of the recent petition pressing the city for urgent implementation of the climate plans, signed by 500+ individuals and 12 civil society and faith groups, and businesses which represent many more people	3/16/2023	CS	In Progress	Engagement on branding currently underway.

21-15	BE IT RESOLVED that the Mobility Committee supports the development of a feasibility study into the value of an Active Transportation Connection over Route #8 between Skyline Acres and UNB, to be completed after the City-wide transportation study scheduled for the budget year 2023.	10/28/2021	E&O	Not Started	Funding received to do the study for the Route 8 Active Transportation Connection.

# Municipal Finance and Corporate Administration Committee - 2023 Resolution Dashboard

Resolution Detail					
#	Resolution	Resolution Date	Lead Dept	Resolution Status	Comments
23-54	BE IT RESOLVED that the Council of the City of Fredericton hereby agrees to set tax rates based on service provision in lieu of historic rate setting based on the availability of water and sewer services.	7/27/2023	CAO Office	Completed	
23-55	BE IT RESOLVED THAT the Council of the City of Fredericton hereby directs the City Treasurer to develop the Long Term Financial Plan for review and consideration by City Council based on the following tax rate adjustment strategy: 1. Increase the tax rate for newly amalgamated areas at a rate of five (5) cents per year, beginning in 2024, until each sub-unit (being Saint Marys LSD, Former LDSD, Lakeside Estates, and Lincoln LSD) reaches the inside tax rate less fifty (50) percent of the cost of sidewalks, storm sewer and fixed route public transit; and, 2. Increase the tax rate for properties on the outside rate at a rate of five (5) cents per year, beginning in 2024, until the outside areas reach the inside tax rate less fifty (50) percent of the cost of sidewalks, storm sewer and fixed route public transit.	7/27/2023	CAO Office	Completed	Resolution refined and completed during budget.
23-62	BE IT RESOLVED that staff explore applying a similar code of conduct to community grant recipients to suppliers of services and products.	8/31/2023	CS	Completed
