

Fredericton

Water & Sewer Division

As per the City of Fredericton By-law No. W-2, A By-law Relating to the Water and Sewer Systems, the City of Fredericton requires Cross Connection Control (CCC) devices to be serviced regularly and tested annually (by a City of Fredericton certified tester) to ensure they continue operating efficiently. The following businesses employ City of Fredericton certified CCC device testers (as of December 31, 2023). For more information about CCC devices, call 506-460-2136, email water@fredericton.ca, or fax 506-460-2141.
