

FIELD REVIEW COMMITMENT
(A form must be completed for each required discipline)

Project Description:		(Completed by Building Inspections) Permit Number:
Project Address:		

In accordance with Form A, this is to advise that I am the:

- Architect
- Professional Engineer

and that I have been retained by the owner to perform the Field Review for:

Check Applicable	Discipline	Architect / Professional Engineer
	Geotechnical Design	Name:
	Structural Design	Name:
	NECB (Performance Tier 2) Design	Name:
	Mechanical Design - HVAC	Name:
	Mechanical Design - Fire Suppression	Name:
	Electrical Design (Life Safety Systems)	Name:
	Alternative Solution	Name:
	Integrated Testing Coordinator	Name:
	Other	Name:

I hereby confirm, that for the design requirements related to the discipline specified above:

1. I will review applicable shop drawings and reports.
2. I will review changes to the submitted design during the construction to determine that the changes conform to the requirements of the 2020 National Building Code of Canada (NBCC) and/or 2020 National Energy Code of Canada (NECB) (where applicable).
3. I will review field testing required by the 2020 NBCC and/or 2020 National Energy Code of Canada.
4. I will conduct field reviews in sufficient quantity and at intervals appropriate to the stages of construction for the duration.
5. I will provide a completed Confirmation of Construction Field Review (Form B) to the Building Inspection Department.

Please be advised that I may delegate some or all my responsibilities associated with the field reviews to another authorized agent by the undersigned where it is consistent with prudent professional practice to do so. The functions will be performed under my supervision in accordance with the Architects' Association of New Brunswick and the Association of Professional Engineering and Geoscientists of New Brunswick.

The undersigned shall notify the Building Inspection Division in writing, as soon as practical, if the contract for field review is terminated at any time during construction.
