

Did you know: The Bank of Canada has released a new \$10 bill to commemorate Canada's 150th birthday? Although these celebratory bills will no doubt be exciting to receive and save as a keepsake, **this specific bill cannot be accepted as payment in the City's parking pay stations.**

As a reminder, our pay stations do still accept all other coins, \$5.00 and \$10.00 bills, VISA, MASTERCARD, and AMEX as a form of payment. You may also use cell phone payment via the Hotspot parking app.
