

Engineering Technician I

City of Fredericton
Engineering & Operations

Roadway Operations
(Salary: \$27.97 plus BSA)

Competition # 5933.21
CUPE Local 508

Description:

Under the direction of the Supervisor, Roadway Operations - Engineering and Operations Department, the incumbent will perform work of a technical nature related to roads, sidewalks, storm sewers, and rights-of-ways. The work is physically strenuous in nature and involves the use of hand tools and/or manually operated equipment. Assignments will require the operation of Municipal vehicles. The incumbent may work under supervision and receive daily instruction.

Education and Experience:

- Minimum prerequisite is graduation from a recognized post-secondary Engineering Technology program.
- Valid NB Class 3 driver's license with E endorsement (air brakes) would be considered an asset
- Lean 6 Sigma experience and training would be considered an asset

Position Specifications

- Performs functions consistent with construction and maintenance of roads, streets, sidewalks, storm sewer and rights-of-ways.
- Performs related work as required.
- Assigned to snow and ice control operations during winter months
- Ability to work after hours and willing to work shifts, including a regular night shift if required.
- Ability to establish and maintain effective working relationships with employees and the public.

Knowledge and Desired Skills:

- Ability to follow instructions accurately as issued by a Foreman or Supervisor.
- Knowledge of the occupational hazards involved and the safety precautions necessary in work assignments.
- Knowledge of the tools, equipment, methods and materials used.
- Well-developed interpersonal and communication skills, both verbal and written.

Interested individuals may apply in writing to hr@fredericton.ca by 4:30 pm on 2021 November 30
Only those candidates chosen for an interview will be contacted.

Interviews will be via TEAMS

You must attach a copy of a valid driver's license and a current copy of your driver's abstract with your application.
