

# Northside Youth Centre Skateboard Camps 2021

Upon arrival at camp your camper will be assessed by our instructors and placed in the appropriate instructional group based on their ability level. Throughout the day campers will learn skateboarding skills under the guidance of our experienced staff. Skills developed will include ramps, flat ground, street and mini. These lessons are aimed at introducing new campers to the joy of skateboarding and working with more experienced campers on improving their skill. Each day we provide a host of other activities such as capture the flag, dodge ball, active games, and Ga Ga ball to name a few. The campers also get to use the on-site youth center which offers a pool table, Nintendo Wii Switch, Play station, foosball table and other activities. Skateboards, helmets, and safety gear are available for all campers at no charge. \*Scooters are welcomed
