Wilmot Park Splash Pad 2021 (updated June 19)

To ensure that all the COVID-19 regulations set in place by the Dept of Health and the Office of the Chief Medical Officer of Health are met, we'll be doing things a little differently this summer.

- To allow everyone the opportunity to enjoy the facility, a maximum of 75 individuals will be permitted on the splash pad at any one time. We will ensure this by: Having staff onsite during open hours - 11am-7pm daily.
- All those in the facility who are not actively participating in splash pad play must be masked.

Staff will be monitoring use and COVID phasing closely and will adjust as permitted.
