

# Fredericton

## Water & Sewer Division

As per the City of Fredericton By-law No. W-2, *A By-law Relating to the Water and Sewer Systems*, the City of Fredericton requires Cross Connection Control (CCC) devices to be serviced regularly and tested annually (by a City of Fredericton licensed tester) to ensure they continue operating efficiently. The following businesses employ City of Fredericton licensed CCC device testers (as of June 1, 2020). For more information about CCC devices, call 506-460-2136.

| COMPANY  | ADDRESS                                      | PHONE                        | EMAIL  |
